

## Wisconsin Top Ten Relays as reported to the USMS Top Ten Chair

### Publication Schedule

The publication schedule for the top ten listings is as follows:

Course	For Swims Between	Submission Deadline	Publication Date
Yards	Jun 1 & May 31	June 30	August
Short Course Meters	Jan 1 & Dec 31	January 26	April
Long Course Meters	Oct 1 & Sep 30	October 20	December

Please note that the relay times contained in this report are those achieved in meets hosted in Wisconsin with one exception. Relays swum at the YMCA Masters Nationals that were eligible for Top Ten consideration are reported herein. The national USMS Top Ten may show times that are better than those reported in the Wisconsin Top Ten. Times achieved at the USMS Nationals will not appear in this Top Ten report but will appear in the USMS Top Ten.

Please also note that a named individual can appear in only one relay of each age group and type. In other words, if an individual swam in a 25+ 200 Mixed Free Relay at one meet, and in a 25+ 200 Mixed Free Relay at another meet, only the better of the two relays will be listed regardless of the other participants in the relay. But, if the individual swam in a 25+ 200 Mixed Free Relay at one meet and a 35+ 200 Mixed Free Relay at another meet, both relays would be eligible to be listed.
